**REQUEST UNDER 37 C.F.R. §§ 1.323 AND 3.81 TO CORRECT THE LISTED  
ASSIGNEES IN AN ISSUED PATENT**

---

Sir:

Applicants respectfully request that a certificate of correction be issued in the above-referenced case to reflect the correct names of the Assignees on U.S. Patent No. 6,911,424 and to correct the statement of federally sponsored research or development of the invention.

U.S. Patent No. 6,911,424 issued on June 28, 2005 listing Emory University of Atlanta, Georgia as the sole Assignee on the front of the patent. The correct listing of Assignees in this case is Emory University of Atlanta, Georgia *and* The University of Georgia Research Foundation, Inc. of Athens, Georgia. The assignments to Emory University and the University of Georgia Research Foundation were submitted as set for in 37 C.F.R. §3.11 in the parent case before issuance of the patent, however the University of Georgia Research Foundation, Inc. was inadvertently not listed on the Issue Fee Transmittal Form (PTOL-85) due to an error made without any deceptive intent.

Additionally, U.S. Patent No. 6,911,424 issued with the statement that the invention described in the patent was made with Government support under number AI32351 awarded by the National Institutes of Health but did not list grant number AI28731 as the result of a mistake made without deceptive intent. The attached request for certificate of correction adds National Institutes of Health grant number AI28731 to the statement of federally sponsored research or

development. The correction of the errors described above do not involve changes in the patent that would constitute new matter or require reexamination.

Enclosed with this Request are the following:

- (1) A copy of the Notice of Recordation for the U.S. Patent No. 6,348,587, the parent of U.S. Patent No. 6,911,424;
- (2) Certificate of Correction Form PTO/SB/44; and
- (3) Credit card payment of the petition fee and processing fees required under 37 C.F.R. §§1.20(a) and 1.17(i).

Applicants believe that no additional fees are due in connection with this Petition. However, the Commissioner is authorized to charge any necessary fees, and to credit any overpayment, to Deposit Account No. 11-0980.

Respectfully submitted,

/John Esteban Ezcurra/
